4-8 WEEKS

WORKFLOW PROOF SPRINT

\$30K-\$75K

BEST WHEN

For leaders with one recurring workflow, a named operating owner, and a visible cost in time, revenue, quality, or visibility.

THE OPERATING RESULT

One bounded production workflow with explicit approval gates, operator training, launch evidence, and an agreed proof-of-value review.

INCLUDED IN THE ENGAGEMENT

- Signed workflow specification and measures
- Configured or custom production workflow
- Integration, permission, and authority boundaries
- Operator training and operating runbook
- Launch evidence and outcome-review plan

HOW THE ENGAGEMENT MOVES

01

Baseline and scope

02

Build and test

03

Launch and review evidence

COMMERCIAL AND AUTHORITY BOUNDARY

Scope and acceptance criteria are agreed before build. Outcomes affected by adoption, customers, or third parties are measured - not guaranteed.

SCOPE THE SPRINT

perpetualcore.com/contact-sales?intent=workflow-proof-sprint

Every request is reviewed by a human.

Scope, timing, and fit are confirmed in writing.
